 (SIGNATURE OF SPOUSE IF FILING JOINTLY)

**\* Estimated payment due dates & share of tax due: April 15 / 22.5%; July 15 / 45%; Oct 15 / 67.5%; Jan 15 / 90%**  
 Many taxpayers are opting to calculate using 100% of their estimated tax due and breaking payments down by true quarter (25% each)  
 This is acceptable but the payment schedule is per STATE LAW and must be followed.

THIS FORM IS FOR USE BY ALL INDIVIDUAL TAXPAYERS FOR FILING DECLARATIONS

It is also used to AMEND an estimate due to a bonus, raise, or the gain/loss of a job.

1. PURPOSE OF DECLARATION -The purpose of a declaration is for Dunkirk residents to establish estimated payments on gross income from which an employer it not withholding for Dunkirk. It is also used for other income (example: self-employment, farm or rental income) in which there is no withholding.

2. WHEN TO FILE A DECLARATION - The declaration must be filed on or before April 30 of the year the estimated payments are being earned. (example: for TY18 a declaration must be filed by April 30, 2018)
