

What is ONU HealthWise?

Your community partner in health and wellness.

We are health care providers employed by the Ohio Northern University (ONU), with a goal to provide you with knowledge and resources to address your health related concerns and improve your health.

We proudly partner with the following area health centers to provide outreach events in the community:

KENTON COMMUNITY HEALTH CENTER
KENTON-HARDIN HEALTH DEPARTMENT
HARDIN MEMORIAL HOSPITAL

Do any of these apply to you?

I HAVE MEDICATION QUESTION

We provide the consultation of a registered pharmacists who can assist you with medication management techniques, and address questions about drug interactions and possible side affects.

I NEED A PRIMARY CARE PHYSICIAN

We can connect you with local providers and specialists.

I NEED TO MONITOR MY HEALTH

We perform the following health screenings:

- Blood pressure
- Cholesterol
- Blood sugar/ glucose
- Body Mass Indexes (BMI)

I NEED AN IMMUNIZATION AND/OR HAVE A SPECIFIC QUESTION ABOUT VACCINATIONS

We provide consultation services where you can speak with a registered pharmacist about immunizations or receive a flu shot.

I WOULD LIKE TO STOP SMOKING

We have certified smoking cessation experts on staff to support you and provide materials that can help you quit.
